

NET STUDIO STREAMING INTERNET RADIO

**A PROFESSIONAL
BROADCAST STATION
ANYONE CAN OWN!**

**Your New Internet
Radio Station Can Be
Heard Worldwide!**

The Net Studio is as versatile as our 35 years of Radio experience allows it to be. We've been Air Talents as well as engineers, so when we approach building an Internet Radio studio for you, we design it so that we would be happy using it ourselves. This is the perfect "add on" studio for any of our pre-wired radio station packages. All you need is a high speed connection and a company that will duplicate your stream, and suddenly your internet station can be heard worldwide.
