Here is a super pro ON AIR studio that looks as good as it sounds. There's plenty of room for four guests in comfortable chairs around the outside parameter of the new Graham-Studios "Radio Curve" Designer Furniture. Speaking of furniture, you can go one step farther and select any Graham Studios Furniture in any color you choose. See details and plans at www.Graham-Studios.com. SuperTalk (TM) features the dependable Arrakis ARC15 Audio Console. Each guest has a headphone plug in. It all comes as a pre-wired kit that virtually anyone can install. Furniture custom sized or scaled to room size at no extra charge. Everything is pre-wired at EBS creating our famous "plug and play" studio system. **No broadcast engineers are required to re-assemble this studio.**

SHOWPLACE STUDIO? This studio can be upgraded with **DeskFX™** under-counter mood lighting. Ask about it today. Also, this kit can be built with any furniture by Graham Studios. Call us to discuss customizing your studio.

PRICED AS DESCRIBED AT \$32,575.00 - SHIPPING EXTRA
